

# Food Nutrition and Cancer Prevention

**Come Learn about  
Nutrition and Cancer**

Faculty and Staff Assistance Program welcomes you to an hour long presentation with **Delia Franco**, RD, LD, CNSD. **Ms. Franco** is the Oncology Nutrition Specialist at Lombardi Cancer Center. She has worked with cancer patients (children and adults) on diet and nutrition for over seven years. She specializes in working with patients on:

- Preventative nutrition, to include preventative cancer reoccurrence
- Post treatment care
- How to manage side effects of treatment and disease
- Nutritional support to include IV nutrition and tube feeds

This presentation will be interactive and will include information on preventative nutrition, and eating to prevent or delay the onset of disease. The speaker would like the audience to come prepared with some questions as the Q & A will be an ongoing part of the presentation.

When: 12 – 1PM: Thursday, September 27, 2007

Where: McCarthy hall (McShain Lounge/Large)

The presentation is free and requires no reservation. All GU Faculty, Staff and Students are welcome. If you have any other questions or concerns, please contact Sandy 7-2409.
